Below is a summary of the **Keeping you informed** message sent on 11 Oct 2012 at 12:40 PM (CT).

Hi, this is Mrs. Huff, your principal and I wanted to make you aware of an incident that occurred here at school last night. During our band practice, a young male who is not a student at Bosse, got into a verbal argument with some of the band members. He was told to leave and appeared to have done so only to later be found still on school grounds and had another verbal confrontation with band members after band practice, inside the school. He was escorted out of the building and at that point, he showed a BB gun and made several threats. One of our parents intervened, by disarming and detaining the student until police arrived at the scene. No was injured in the incident. The young man is currently being held at a secure juvenile detention facility and the matter is under investigation by the police and the school. Again, I wanted to make you aware and let you know what we know and help us stop any rumors. Unfortunately, this information was released before we had an opportunity to inform you ourselves. Thanks for all of your support. If you have any questions, please give me a call.
